Waimea Plantation Cottages

wanderlustyleblog Island living dreams! 🌴🌺

Why you need to experience staying at @waimeaplantationcottages:

View: It's located on the west side, which means prime view of the sunset!

Tranquility: listen to the ocean waves on a hammock tied on a palm tree!

Historical: These were actual cottages from an old plantation and it's perfectly placed right on the beach.

Their backyard is a black sand beach!
