

While we already have a post of ‘How To Spend 6 Days in Kauai’, we decided to do this post because of our recent trip on the Garden Isle. We spent a total of two nights at [Waimea Plantation Cottage](#) and explored a few spots in Kauai. This was our first time staying on the West side of the island which was off the beaten path yet, absolutely magical!

When traveling we typically are on-the-go trying to make tours in a timely manner but in this case, we reveal how we explored enough of Kauai while also being stress-free. This is a realistic itinerary that you’ll actually enjoy without having to rush from place to place.

DAY 1

We arrived in the morning (9 am) and ate at a local favorite “Tip Top Cafe” before heading off to the west side, where we were staying. Before reaching our destination of [Waimea Plantation Cottages](#), we took a detour up [Waimea Canyon](#) because it was the clearest day we’ve ever seen on Kauai. Taking advantage of clear weather definitely can make or break an experience.
